In this day and age, Bible camp is an especially wonderful place for people to come and experience growth in their Christian faith. We strive to be able to offer camperships to those in need. We also want to partner with your church in this ministry. In order to fulfill this desire we have established the following procedure:

1. Anyone requesting a campership will fill out the top portion of this form along with a registration form.
2. Ask your pastor to write a recommendation on the bottom portion of this form.
3. Mail both this campership request form and a registration form to camp. It is the expectation that the deposit portion of the registration fee be paid by you. However, if it is determined through this application process that you are not able to pay the entire deposit, a lower deposit amount can be negotiated.

Contact your church or we will contact your pastor to see what amount your church may contribute. If you know the amount your congregation intends to contribute, enter these amounts in the box to the right to figure the amount of campership you are applying for.
