Why do I need to fill out a Health History

Form for my camper? Luther Park cannot allow any youth to stay at camp unless a current Health History Form has been filled out and signed by his or her legal guardian/parent, for liability reasons.

When do I need to return the Health Form?

Either mail it in two weeks before your camp date or bring the signed form with you to camp at check-in time.

Will my youth be safe? The staff is well trained in working with youth. There will be year-round staff & summer camp counselors on site that are trained as First Responders.

What about cell phones? We ask that all campers leave cell phones at home and use the camp phone in case of emergency while they are at Luther Park. This allows campers & parents/ guardians to communicate in a safe and controlled setting. We thank you for helping us keep camp safe.

What about insurance? Each camper is covered primarily by their own insurance and secondarily by Luther Park's Accident Insurance Policy.
